The Star Exchange 
Au-Pair in China Program

Discover China!

Discover China together with Star Exchange

We offer you the perfect opportunity to gain unforgettable experiences in one of the most dynamic countries of our time. In China ancient Asian traditions meet modernity like nowhere else in the world.

As an au pair you will be part of a wealthy Chinese host family. This safe and open-minded environment allows you to freely explore the Chinese culture. Additionally you will be enrolled at a prestigious university for free to attend professional Mandarin classes. This together with the family environment will help you to quickly learn the Chinese language.

During your stay we will assign a personal program coordinator to you. He or she will accompany you throughout the whole program and assist you not only with the formalities, but also regarding your personal matters. You can call your personal advisor or his/her colleagues 24/7.

This carefree package is a dream which through Star Exchange becomes reality!
